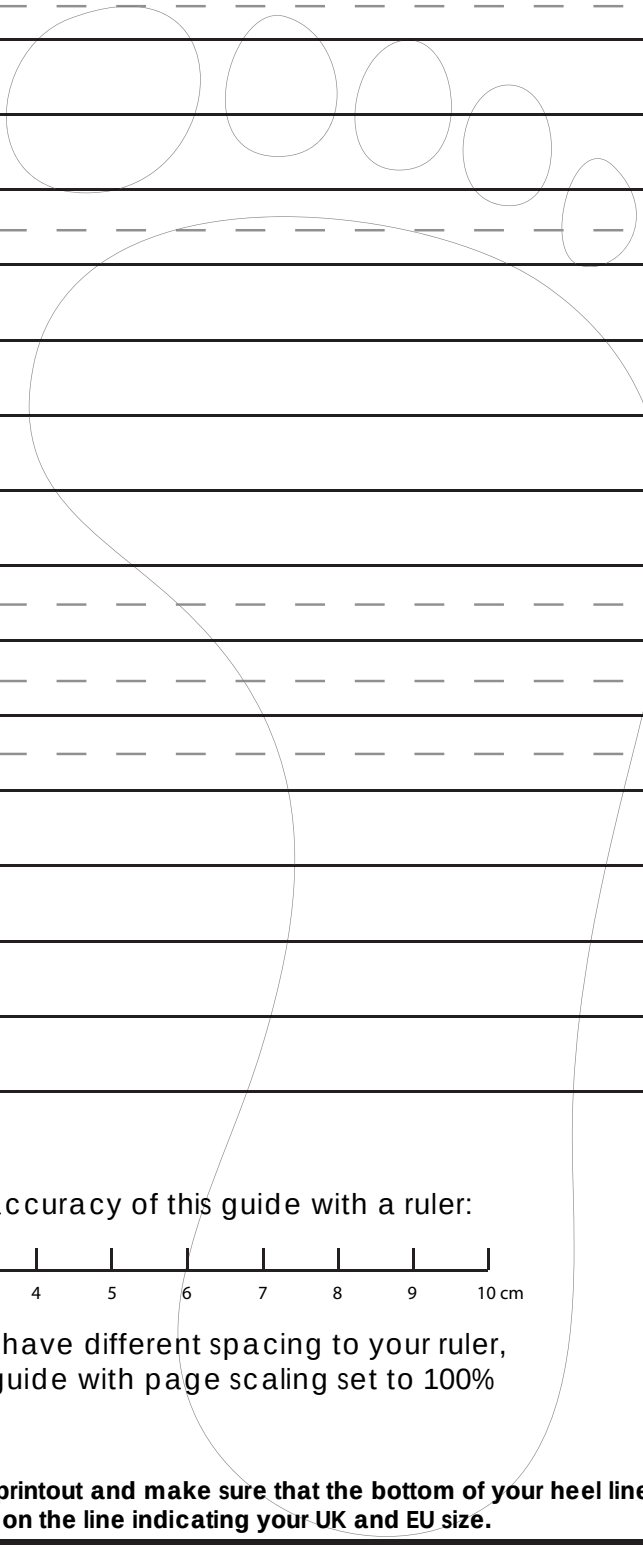
Print this guide with page scaling set to 100% (none),

follow directions below to find out your approximate size.

For accurate size, please visit our store.



Please check the accuracy of this guide with a ruler:

0 1 2 3 4 5 6 7 8 9 10 cm

If the above marks have different spacing to your ruler,
please reprint the guide with page scaling set to 100%

thegoldenboot

Place your foot on this printout and make sure that the bottom of your heel lines up with the line below. You longest toe will fall on the line indicating your UK and EU size.
