

The Valley Invicta Primary School at Kings Hill shoe guidelines are designed to ensure that our students are wearing footwear suitable for the everyday wear and tear of school life. The guidelines try and avoid trend led footwear in order to reduce the complications of peer pressure. Ultimately we would like to teach our students to dress smartly and take pride in their appearance, with the intention of creating a more studious classroom environment.

Making your shoes last longer

When getting your shoes professionally fitted, your trained fitter will inform you about the best products and practices to help keep your shoes looking as good as new. Looking after your shoes not only makes them shine but prolongs their lifespan by resisting scuffing, repelling water and nourishing the leather.
