

Tunstall Church of England School shoe guidelines are designed to help ensure that our children are wearing footwear suitable for the everyday wear and tear of school life. The guidelines try and avoid trend led footwear in order to reduce the complications or peer pressure and promote footwear which is best for growing feet. Ultimately, we would like to teach our children to dress smartly and take pride in their appearance.

## Making your shoes last longer

When getting your shoes professionally fitted, your trained fitter will inform you about the best products and practices to help keep your shoes looking as good as new. Looking after your shoes not only makes them shine but prolongs their lifespan by resisting scuffing, repelling water and nourishing the leather.

## More about the Golden Boot

The Golden Boot is an independent shoe shop, based on Gabriel's Hill, Maidstone. The Golden Boot are proud specialists in fitting children's shoes. We have been helping children explore in comfort and confidence for over 230 years. Our team are fully trained and highly experienced in measuring and fitting the perfect pair of shoes. We care about your child's foot health and are proud to provide quality fitted school shoes that promote good foot development, are durable and offer value for money.

## Why are fitted shoes important?

Looking after your child's feet is fundamental to the healthy development of their entire body. The selected styles are made from premium materials and components to ensure breathability and durability and, in turn, longevity. When your children's shoes are professionally fitted, it ensures that their feet have plenty of room to move and grow, while offering the support and comfort your child's feet require.
